Mobile registration prior to the State Primaries:

The Board of Election Commissioners and Coordinators of Voters from the League of Women Voters agreed to hold registration sessions at various shopping centers; this procedure was also followed for the State Election.

The Board of Election Commissioners also agreed to the same procedures with the Coordinators of Voters from the All Boston Labor Committee and the A. Philip Randolph Institute to hold mobile registration at various sites throughout the city, for the State Election.

Physically disabled: In accordance with the provisions of chapter 196 of the Acts of 1946, persons qualified to vote, but who are unable to appear at a registration office because of a physical disability were examined in their homes or other places of confinement upon receipt of an application for such registration. Applications were received from 108 such persons. Of that number 80 were found to be qualified and were duly registered. It was found that 11 of the applicants were previously registered and on the voting list. Persons so registered or found on the voting list were furnished with an application for absentee ballots for the State Election. Seventeen persons requesting such registration, either refused to be registered when visited or were found not qualified for such registration.

Supplementary registration of Federal Service Personnel:

Under the provisions of chapter 51, sections 50 and 51 of the General Laws, as amended by chapter 283 of the Acts of 1966, extended the time for such registration to on or before 4 P.M. of the day preceding a Primary or Election. There were 47 such registrations in Boston.

Qualifications in order to vote for Electors of President and Vice President only on a partial ballot:

Chapter 437 of the Acts of 1962 as amended by chapter 212 of the Acts of 1968 made it possible for persons residing in the Commonwealth who do not qualify for full registration due to lack of one year's residence prior to the State Election, but who will have resided in the Commonwealth at least 31 days prior to said Election to qualify to vote for the Electors of President and Vice President only. Applications were received from 524 such persons. Of that number 523 were found to be qualified. A special polling place equipped with two Shoup voting machines was set up in the corridor on the first floor of City Hall Annex; and persons so qualified were notified by mail as to its location in order that they could cast their ballots for such Electors only.

## NUMBER OF VOTERS

At the City Election, held November 7, 1967, the number of voters on the list was 286,798. The number of voters on the first list published by the Board was 256,374. From that time to the close of registration for the State Election there were added the names of 35,437 voters. Included in this figure are the names of 5,963 voters who were restored to the voting list without registration, under the provisions of chapter 244 of the Acts of 1947. The number of voters on the final list sent to the polls on the day of the State Election, held November 5, 1968, was 291,811, an increase of 5,013 over the number on the list at the preceding City Election. The number of voters on the final list December 31, 1968, was 291,817.

In addition to the above, 523 persons were qualified to vote a partial ballot for the Electors of President and Vice President only.

NOMINATION PAPERS, REFERENDUM AND RECOUNT  
PETITIONS

The Board received 93 nomination papers for the Special State Primaries in Ward 1, on which 2,366 names were certified; 831 nomination papers for the Presidential Primaries, on which 9,783 names were certified; 4,824 nomination papers for the State Primaries, on which 69,782 names were certified; 230 referendum petitions on which 4,014 names were certified; and 34 recount petitions for recount of ballots cast on which 530 names were certified. This makes a total of 6,012 papers on which the names of 86,475 voters were certified.

## RECOUNTS

Recounts of the votes cast in the Presidential Primaries for the Democratic State Committee Woman were held in Ward 1 and in Ward 2, and for the Republican State Committee Man and Republican State Committee Woman in Ward 1, on May 13, 1968; and for the Demo-

cratic Ward Committee in Ward 21, and for the Democratic Ward Committee in Ward 22, on May 14, 1968; and in the State Primaries for the Democratic Representatives in the General Court in the Fifth Suffolk District on September 25, 1968; and in the State Election for Representatives in the General Court in the Thirteenth Suffolk District on October 18, 1968.

### REVISION OF THE VOTING LIST

The names of 3,722 voters were stricken from the voting list by reason of death, removal from the city, and other causes.

### JURORS

The jury list prepared by the Board in 1968 contained the names of 8,907 residents of Boston. During the time covered by this report 6,445 were drawn for jury service.

### ABSENTEE VOTING

Absentee voting applied to the State Election. Chapter 123 of the Acts of 1966 regulating the method of processing and counting absentee ballots made it mandatory that after processing and examination of the affidavits in the central office is completed, the absentee ballots must be sent to the precinct polling places to be cast and counted, then said count of absentee ballots cast had to be added to the count of votes cast by use of the voting machines, so that the precinct total could be recorded and reported at the precinct level.

Chapter 368 of the Acts of 1966 further regulating absentee voting, made it possible for a registered voter who would be absent from the city on the day of the election, and who had no mailing address outside of the city to which a ballot could be mailed and seasonably returned in time to be sent to the polling place before the closing of the polls on election day, to receive a ballot in hand, and vote by such ballot in the central office before he departed from the city.

QUESTION NO. 2

**PROPOSED AMENDMENT TO THE CONSTITUTION**

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 30, 1966, received 188 votes in the affirmative and 46 in the negative, and in a joint session of the two branches held May 10, 1967, received 174 votes in the affirmative and 78 in the negative?

**SUMMARY**

The proposed amendment of the Constitution authorizes the Legislature to impose an income tax graduated according to total income, and authorizes the granting of reasonable exemptions, deductions and abatements, as an alternative to the exercise of the Legislature's existing power to tax income under Article 44 of the Amendments to the Constitution. Without limiting the foregoing authorization, the proposed amendment permits any such tax to be imposed at a uniform percentage of an individual's federal income tax liability or at graduated rates applied to his total income taxable federally, and it permits reasonable variations of any federal provision. It requires that the graduated rates, exemptions, and deductions be set without regard to the kind of income being taxed.

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 20, 1966, received 225 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held June 15, 1967, received 210 votes in the affirmative and 2 in the negative?

SUMMARY

The proposed amendment of the Constitution defines the circumstances in which a Governor's inability to perform his functions shall cause his office to become vacant, and it establishes a procedure for making the necessary determinations. The office will become vacant following a declaration of disability by the Governor himself or by the Chief Justice and a majority of the Associate Justices of the Supreme Judicial Court, or such other body as the Legislature may provide. The vacancy will terminate four days after the Governor declares that no disability exists, unless (1) within that period the Chief Justice and majority of the Associate Justices, or such other body provided by the Legislature, should make a contrary declaration and (2) within another stated period the Legislature, by two-thirds of each branch present and voting, then determines the issue contrary to the Governor's declaration.

The same procedure will also apply to a Lieutenant Governor who in the case of a vacancy is performing the Governor's duties.

The proposed amendment also requires the election of a Governor for the unexpired balance of the four-year term if a vacancy in the office of Governor as described in the proposed amendment continues for a six-month period expiring more than five months prior to a biennial state election other than an election for Governor.

QUESTION NO. 4

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, upon which the House of Representatives did not vote and upon which the Senate did not vote?

SUMMARY

The proposed law provides that the official ballot in the biennial State election for the year 1970 shall contain a question asking the voters whether there shall be a convention in 1971 to (1) revise, alter or amend the constitution of the Commonwealth on the following subjects, insofar as they relate to the structure of government, and no others: the Executive Branch; the General Court; the Executive Council; the government of cities, towns and counties and their relationship to each other and to the government of the Commonwealth; (2) simplify and rearrange the constitution, and (3) provide methods of amendment thereof. The question will state that the convention shall not consider or propose any measure which relates to the Massachusetts Declaration of Rights, the provisions of the Massachusetts constitution concerning the "Judiciary Power" (other than provisions respecting the Executive Council), or any of the excluded matters enumerated in Article XLVIII, II, Section 2 of the Massachusetts constitution. The question will fix the number of delegates to the convention at 150, of whom 20 members shall be members of the General Court; the remaining 130 members shall be elected by the voters in the manner summarized below. The question will also state that the convention shall conclude its business not later than 120 days from its first session.

The proposed law provides that if a majority of the votes on the foregoing question is in the affirmative, the convention shall be held in July, 1971 to revise, alter or amend the constitution on the matters enumerated above only. The House of Representatives and the Senate shall each elect as delegates 10 of its members, not more than 6 from each branch coming from the same political party. Of the remaining 130 delegates, 10 shall be elected at large and 120 shall be elected from the 40 senatorial districts, 3 from each. Provision is made for the manner of nominating and electing these 130 delegates, without party or political designation, for filling vacancies occurring in the position of any delegate, from whatever source chosen, and for the conduct of the convention's business.

Any revisions, alterations and amendments of the Massachusetts constitution adopted by the convention shall be submitted to the people at the State election in 1972 for their ratification and adoption in such manner as the convention may direct. If a majority of the people voting thereon ratify and adopt such revision, alteration or amendment, the constitution shall be deemed to be changed accordingly.

The proposed law also provides that if the vote on the question to be submitted at the biennial State election in 1970 is in the affirmative, the Governor shall appoint a preparatory commission of 5 members to compile data to aid the convention in the discharge of its duties. Each member of the commission shall receive compensation of \$10,000 and the commission may expend a sum not in excess of \$200,000, as the Governor may approve, for its expenses.
